# About RACQ LifeFlight Rescue

At LifeFlight our purpose has always been the same, to save lives and assist Queenslanders in their time of need.

For over 40 years, RACQ LifeFlight Rescue has been Queensland's leading aeromedical rescue service, bringing lifesaving emergency medical treatment to seriously ill and injured patients in their time of need.

With a fleet of 10 helicopters and 4 Air Ambulance jets operating from 8 Queensland bases, this vital rescue service provides local communities with the reassurance that emergency care is available 24/7, at no cost to the patient.

The ability to provide this lifesaving care relies on the support from Queensland communities; and our business supporters are making a difference to the lives of thousands of people every year.

• Challenger 604  
• Challenger 604  
Brisbane Rotary Wing  
• AW139

**TASMANIA** Bell 412

## Join the Businesses on Board Program Today

Members of the RACQ LifeFlight Rescue Businesses on Board program join with other community minded businesses committed to providing a vital lifesaving rescue service in their local area.

As a Businesses on Board member, you will help deliver more than 6,500 lifesaving missions each year. Your donation will directly assist the operational needs of providing the service such as aircraft fuel, equipment and training for our crews.

This support enables LifeFlight to keep our helicopters in the skies above Queensland, saving lives. That's why Businesses on Board are so important to us, and why we would be grateful if you were to join us today.
